AUTHORIZATION AND TERMS OF ISSUANCE AND SALE OF 2008 BONDS

Section 2.01. Authorization.

(a) As authorized by the Authorizing Ordinance and the Series 2008 Resolution, and pursuant to the provisions of the Indenture and the Supplemental Indenture No. 7, there is hereby authorized to be issued one or more series of bonds in the principal amount of THIRTY-NINE THOUSAND AND NO/100 DOLLARS (\$39,000,000.00), ranking on a parity as to security and source of payment with all other outstanding Bonds of PARC. First Mortgage Revenue Bonds, Series 2008," (followed by an appropriate letter designation for each series secured hereunder), and shall be subject to all the terms and conditions of the Indenture, as supplemented by this Supplemental Indenture No. 7.

(b) (1) So long as any of the 2008 Bonds are held in the Book-Entry System, the Registered Owner of such 2008 Bonds shall be DTC, and such 2008 Bonds shall be registered in the name of CEDE & Co., as nominee for DTC. The provisions of the Letter of Representations shall be and are hereby incorporated herein by reference and, in the event that there shall be any inconsistency between the Letter of Representations and this Indenture, so long as such 2008 Bonds are held in the Book-Entry System, the Letter of Representations shall govern.

(2) The 2008 Bonds shall be initially issued in the Book Entry System, as a single fully registered certificate representing each maturity of principal, in accordance with the Letter of Representations. Upon initial issuance, the ownership of such 2008 Bonds shall be registered in the registry books of the Issuer maintained by the Trustee in the name of CEDE & Co., as nominee for DTC. So long as such 2008 Bonds are held in the Book-Entry System, the Trustee and the Issuer may treat DTC (or its nominee) as the sole and exclusive Registered Owner of such 2008 Bonds registered in its name for the purposes of: (i) payment of the principal or redemption price of or interest on such 2008 Bonds, (ii) selecting such 2008 Bonds or portions thereof to be redeemed, (iii) giving any notice permitted or required to be given to Bondholders, (iv) registering the transfer of such 2008 Bonds, and (v) obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever, and the Trustee and the Issuer shall not be affected by any notice to the contrary. The Trustee and the Issuer shall have no liability, responsibility or obligation to any DTC Participant, any Beneficial Owner or any person claiming to be a Beneficial Owner, or any other person which is not shown on the registration books of the Trustee as being a Registered Owner with respect to: the accuracy of or any other aspect relating to any records maintained by DTC or any DTC Participant of any amount in respect of the principal of or interest or premium on any such 2008 Bonds; any notice which is permitted or required to be given to 2008 Bondholders once such notice is given to DTC, as 2008 Bondholder; the selection by DTC or any DTC Participant of any person to receive payment in the event of a partial redemption of any such 2008 Bonds; or any consent given or other action taken by DTC as 2008 Bondholder.

Transfer or crediting of the applicable principal, interest or redemption premium payments made by the Trustee to DTC and by DTC to DTC Participants shall be the sole responsibility of DTC, and transfer of same to Beneficial Owners or their nominees shall be the sole responsibility of DTC and the DTC Participants. So long as any such 2008 Bonds are held in the Book-Entry System, no person other than DTC (or the Trustee on DTC’s behalf) shall receive an authenticated 2008 Bond certificate.

(4) Upon delivery by DTC to the Trustee of DTC’s written notice to the effect that DTC has determined to substitute a new nominee in place of CEDE & Co., and subject to the provisions of this Supplemental Indenture No. 7 with respect to transfer of the 2008 Bonds, the term “CEDE & Co.” in this Indenture shall refer to such new nominee of DTC.

(5) At any time, the Issuer may terminate the Book-Entry System in respect of any series of Bonds, in which event (i) the Issuer shall notify DTC and the Trustee, and shall instruct DTC to notify the DTC Participants, of the availability through DTC of 2008 Bond certificates and (ii) the Trustee shall issue, transfer and exchange, at the Issuer’s expense, 2008 Bond certificates as requested in writing by DTC in appropriate amounts.

(6) At any time, DTC may determine to discontinue providing its services with respect to the 2008 Bonds by giving written notice to the Issuer and the Trustee in accordance with the Letter of Representations and discharging its responsibilities under applicable law with respect to such 2008 Bonds. Under such circumstances (unless a successor to DTC which is reasonably acceptable to the Trustee has been appointed to act as securities depository hereunder), the Issuer and the Trustee shall be obligated to deliver 2008 Bond certificates as described in this Indenture.
